

a quiet bump label presents:

PEAK

So Shy Ep

[aqbmp025] released on July 5, 2010

After 2 years from "So Quiet" Ep the producer, and the cofounder of Aquietbump label, Paolo Picone returns back with this original and intriguing blend of Jamaican dub roots music, electronic culture and electroacoustical approach.

An intense condensate of intimacy, dusty nocturnal views and low frequencies.

Bass bless you.

Tracklist:

- 1- Now? (feat. **Vibesbrain**)
- 2- Shyness (Blushing version)
- 3- Shyness (Hiding version)
- 4- Red cheeks
- 5- Strange noises from the wardrobe

...
