

UNO

VARIOUS ARTISTS

UNO is the unit, the number that multiplied to itself always equals UNO. A starting point and at the same time a re-starting point: the same which Aquietbump intends to celebrate with its first compilation 7 years of love for downbeat and low end frequencies.

Andreas Tilliander & Stefan Thor/Kondens, Stewart Walker, Hieronymus, Retina.it, Peak, Para, Dadub, Marco Messina, Stefano Cocciolo, Jambassa, Voodoo Tapes are UNO!
